Best Coffee Keywords Potential

Best Coffee is searched 100k to 1 Million times per month according to Keyword Planner by Google Ads.

Why Blockchain Domains Marketing??

- The Internet is evolving, where traditional domains are becoming ineffective.
- ICANN was created over 20 years ago, traditional domain names don't function on Blockchain.
- Websites on Blockchain Domains are the future!

Uply Media, Inc's Approach

Blockchain Domains related to numerous disruptive hot industries will replace cryptocurrency addresses with "human-readable top marketing keywords" to control influential brandable recognition and dominance.
