

UPLY MEDIA INC — CAPABILITY STATEMENT

SBA-Certified Service-Disabled Veteran-Owned Small Business (SDVOSB)

UEI: YPE4G8X18N67

CAGE: 9WMV4

Primary NAICS: 541990

Accepts Government Purchase Card (P-Card)

Company Summary

Uply Media Inc provides secure, high-performance operational, administrative, and technology services for federal agencies. Led by U.S. Navy War Veteran Kyle M. Ransom, our team delivers disciplined, mission-ready support with a focus on secure courier services, FOIA and records operations, digitization, and workflow automation. We support agencies requiring confidentiality, accuracy, and rapid deployment across Metro Atlanta, Duluth, Alpharetta, Chamblee, Doraville, and Peachtree Corners.

Core Capabilities

- Secure courier and chain-of-custody transport
- FOIA request support, A-file retrieval, scanning, and digital processing
- Administrative support, case file management, and records indexing
- I-9 Section 2 identity verification for federal offices
- Structured digitization and metadata creation
- Proposal, contract, and document preparation
- Workflow automation and small internal dashboard development
- Data processing, cleanup, and federal-format conversions

Courier & Transport Services

- Standard courier (25 miles)
- Priority expedited service
- Multi-site delivery routes
- Emergency two-hour courier dispatch
- Full-day courier assignments
- Locked-case transport and full chain-of-custody logging

Past Performance

Federal support is provided across operational, data, and administrative functions.

Available upon request for onboarding and micro-purchase evaluations.

Differentiators

- **SBA-Certified SDVOSB**

- Micro-purchase and P-Card ready
- Located within minutes of Atlanta federal hubs
- Navy-grade operational discipline
- High-security process design
- Rapid turnaround and immediate dispatch availability

Authorized Federal Payment Methods

- Government P-Card
- ACH / EFT
- Stripe Federal Payments
